

# Battery Cells Manufacturing – Job Roles & Skills

FREE Webinar

January, 20<sup>th</sup> 2021  
10:00-11:30 CET

battery  
manufacturing

## WELCOME BY THE MODERATOR

00:05

**Björn Fagerström**, CLC Director - EIT Manufacturing NORTH

## PRESENTATIONS

00:40

### **ALBATTs Project Introduction**

Dr. Anders Norberg, Coordinator ERASMUS+ ALBATTs, Umeå University SWEDEN

### ***Battery Market Growth Expectations***

Caspar Rawles, Benchmark Mineral Intelligence London, UK, Head of Price Assessments

### ***EU Policy framework for battery production***

Ivone Kaizeler, European Commission, DG GROW

### ***New approach towards Li-ion battery mass manufacturing process***

Ing. Vaclav Binar, CEO, Magna Energy Storage (HE3DA)

### **Challenges & opportunities in recruiting for the battery cell manufacturing ecosystem in the EU**

Katarina Borstedt, Director of Growth, Northvolt

## Q&A

00:15

### **Panelists & Audience**

## CONCLUSIONS

00:05

**Björn Fagerström**, CLC Director - EIT Manufacturing NORTH
