

## SECTORAL INTELLIGENCE: MOBILE APPLICATIONS - RELEASE 1

D5.5 Sectoral Intelligence definition for sub-sector IMBA - Release 1

A report on emerging **trends**, required **skills**, and **expertise** relevant to operation, repair, and maintenance of **electric passenger cars** and maritime **vessels** as well as **recommendations** for the sector's future development in the competence area.

JOB ROLES NEEDED: SERVICING OF ELECTRIC VEHICLES Technician for Battery Analysis
Mechanical Supervisor
Validation Engineer
Safety Manager
Validation Engineer
Substantial Supervisor
Validation Engineer
Validation Engineer
Substantial Auditor
Substantial Auditor
Battery Repair Engineer
Safety Specialist
Sunctional Safety Engineer
Validation Substantial Substa

JOB ROLES NEEDED: SERVICING OF ELECTRIC VESSELS Cell Test Engineer
Technical Product Manager
Technical Product Manager
Technical Product Manager
Senior Battery Engineer
Technical Product Manager
Senior Battery Engineer
Senior Battery Engineer
Technical Senior Technical for Battery Analysis
Inspection Engineer Technical for Battery Analysis
Inspection Engineer Safety Specialist
Embedded Software Engineer

Service Technical Compliance Engineer
Battery Test Technical
Service Technician
Service Technician
Data Analyst
Blueprint Data Scientist
Battery System Engineer
Mechanical Supervisor

Application Engineer
Mechanical Supervisor

Application Engineer
Safety Manager
Mechanical Supervisor

Mechanical Supervisor

Application Engineer
Software/Modeling Engineer
Software/Modeling Engineer
Software/Modeling Engineer Process Engineer Battery Dismantling
Battery System Consultant
Electrical Engineer (BMS)
Functional Safety Engineer

Cell Inspection Technician
Senior Battery Systems Engineer - Innovation
Electrical Engineer Hybrid Vehicles
Product Manager eDrive & Charging
Electric Vehicle Powertrain Test Engineer
Process Engineer - Battery Recycling

Electric Vehicle Powertrain Test Engineer
Process Engineer Battery Systems Engineer
Process Engineer Battery Systems Engineer
Process Engineer Battery Systems Engineer - Innovation
Electric Vehicle Powertrain Test Engineer
Process Engineer Battery Systems Engineer
Process Engineer Battery Engineer
Process Engineer
Process
